# HONDURAS MISSION PROGRAM

Covenant partner since 2008

Supporting over 500 students

at the Fray Casimiro Technical Institute in Olancho

*Annual Mission Appeal*  
*May 31 and June 1, 2025*

OUR HEARTS FOR HONDURAS

Help us celebrate 17 years of our covenant with our Honduras Mission partner, the Fray Casimiro Cypher Institute in Campamento, Olancho.

We will have the opportunity to hear firsthand from Mr. Wilson Romero, the director of our mission partner schools. He will share the incredible work we are doing together in the community, including highlighting existing projects and new initiatives we have implemented.

It is inspiring to see how our parish continues to positively affect the lives of over 500 students and their community. Your support makes a significant and positive difference, helping students receive an education that will equip them with the skills they need to earn a living and have a better life for themselves and their families.

Please keep praying for our friends in Honduras as they do for us. On behalf of the students, teachers, and staff at the Institute. THANK YOU!
